Re: Investigation of Marina from Ruth Paine (by use of James H. Martin). DQ. what business is he in?

SUBJECT: CRIMINAL INTELLIGENCE (4)

Sir:

The undersigned Officer was assigned, along with two United States Secret Service Agents, at the JAMES HERBERT MARTIN residence, 11611 Farrar, for security purposes on December 21, 1963. Mrs. MARINA OSWALD is presently living at this address. The following report, regarding occurances during this tour of duty, is submitted for your information.

At 10:40 a. m. Mrs RUTH PAYNE, aka MRS MICHAEL R. PAYNE, was observed at the front door. Mr. MARTIN was told by Secret Service Agents that Mrs PAYNE had been informed that she would not be permitted to see Mrs. OSWALD. Mrs. OSWALD went to the back of the house and remained out of sight while Mrs PAYNE was there. Mr. MARTIN opened the front door and Mrs. PAYNE entered without being invited into the house. She brought some packages which she stated were for the MARTIN children and a package which had come to her address through the mail for Mrs. OSWALD. Mrs OSWALD'S package was given to Secret Service Agents after she left for examination but the packages for the MARTIN children were not checked. Mrs PAYNE stated that she wanted to get aquainted with Mr. MARTIN, he reminded her that he had come to her house in Irving and picked up Mrs OSWALD'S possessions. Mrs PAYNE said that so many people had been there she did not remember him. Mrs PAYNE expressed a desire to contact Mrs. OSWALD and was told by MARTIN that she was not having any visitors and that he had been asked not to reveal her whereabouts. Mrs PAYNE'S actions indicated that she knew or at least suspected, that Mrs OSWALD was living with the MARTINS.

Mrs. PAYNE left at 12:20 p. m. She drove a 1955 Chevrolet station wagon, color two-tone green, bearing 1963 Texas license number NK 4041 which is registered to her at 2525 West Fifth Street, Irving, Texas.

Mr. MARTIN stated that he thought Mrs. PAYNE had gotten his address fron JOE FISHER at the Statler Hotel, she mentioned that she had talked to FISHER.

The Secret Service Agents on duty declined to comment on the relationship between Mr. MARTIN nad Mrs. OSWALD or MARTIN'S reasons for taking her into his home. They stated that Mrs OSWALD had been made some offers, the nature of which they would not disolose, that could bring her a substancial amount of money and they implied that MARTIN was supporting her and going to manage her affairs for a percentage. They stated that as far as the Secret Service was concerned MARTIN might as well have the money as anybody else.

Sir:

The following report is submitted for your information.

On December 11, 1963, this officer received information from a confidential source that a friend of the source had been to a coffee shop and a mechanic at that location had stated that LEE HARVEY OSWALD had been driving JACK RUBY'S automobile for approximately two months and that he (the mechanic) knew this because OSWALD had brought RUBY'S car to his garage for repairs. The source did not know the location of the coffe shop and did not want her name used. Source also stated she would not give the name of the friend who had heard the mechanic making the statement, unless it was absolutely necessary. A report (Int. 2965-11) was made on this information because it was felt a possibility existed of locating the mechanic or garage thru bills and receipts confiscated from the vehicle of JACK RUBY. When photostatic copies of the contents of RUBY'S vehicle were received by this office, they were searched with negative results in regards to mechanical work.

Detective F.A. Hellinghausen was later sent to contact the original source and was given the name of SUBJECT and his place of employment, the SUBJECT being the person source had received the information from. SUBJECT could add only the information that the COFFEE HOUSE DRIVE IN was the name of the cafe where SUBJECT heard the mechanic make statemnt listed above, and the description of the mechanic as being a short white male wearing greasy blue work clothes. Detective Hellinghausen then went to the COFFEE HOUSE DRIVE IN, 5060 W. Lovers Lane, and found that this place had gone out of business during the latter part of December, 1963 or the early part of January, 1964.

WHITE told the officers that he had not heard SUBJECT talk of the incident but he called in MR. JOHN P. SCHNITZIUS, an employee of the same firm. MR. SCHNITZIUS said SUBJECT had told him about the incident but he could not add any additional information to the event other than that received by Detective Hellinghausen.

The undersigned officer then went to MR. BOB DAVIS, a member of the TEXAS ATTORNEY GENERAL'S STAFF, who is assigned to aid the WARREN COMMISSION in the investigation of the assassination of PRESIDENT KENNEDY. This officer made a sworn statement to the information contained in this report. This was done at the STATES ATTORNEY'S OFFICE at the U.S. POST OFFICE, Bryan and St. Paul streets, on April 2, 1964.
